A SUPER STUDENT WITH BIG DREAMS

Bryan

"New Horizons has given me the opportunity to learn new skills, prepare for college, and pursue my dreams so I can give back to my community." - Bryan

Bryan has been part of New Horizons of Southwest Florida since kindergarten. Over the years, he has grown in faith, built friendships, and learned the importance of perseverance. One lesson that has stayed with him came from a summer camp mentor who encouraged him and his teammates never to give up and always pursue their goals.

Today, Bryan dreams of attending Florida Gulf Coast University to study theater and become an actor. But his ambitions go beyond his own success. He hopes to use his future career to help his family and others in need, including the people who have supported him along the way.

New Horizons has been part of his family's journey for years. His older siblings, Nancy and Edgar, also grew up in the program and graduated from it. Today, Nancy is working while completing her studies, and Edgar is studying mechanics at Fort Myers Technical College.

With big dreams and a desire to give back, Bryan is looking toward a future full of possibilities.

River
Bob & Ellen Nichols Scholarship recipient.

Genesis
Student speaker at the Volunteer Welcome Back Reception.

OUR VOLUNTEERS

A COMMUNITY THAT SHOWS UP

Volunteers make more than tutoring possible. They build relationships, encourage students, share their skills, and help create a place where young people can grow.

"I enjoy working with students because they care about their work and want to do well. It's rewarding and fun at the same time! Children are the future."

A NEW BUS FOR CYPRESS SKC

In January 2026, New Horizons celebrated a new bus for Cypress Super Kids Club, funded by supporters of the 2025 Sail to Success Gala.
This bus helps more than 40 elementary students access our programs.
